Spring 2008

# GHEC/TxDLA Spring Social

Hosted by the  
John P. McGovern  
Museum of Health &  
Medical Science!

The John P. McGovern Museum of Health & Medical Science is an interactive and entertaining science experience for all ages that promotes understanding and appreciation of the human body, mind and spirit, and inspires a lifelong commitment to health and wellness.

---

Join your peers from the greater Houston education/medical communities for an evening of best practice poster-sessions and “meet & greet” social time. Also featured will be a presentation by The Health Museum’s own education staff about their offerings of a variety of fun health and science-related distance learning classes! Don’t miss this exciting opportunity to meet some of Houston’s greatest educators. You!

*To submit a Poster Session, please download the form from [www.ghecgroup.net](http://www.ghecgroup.net)*
